

PROPOSAL DATA ITEM DESCRIPTION (PDID)

**PDID-MORG
ORGANIZATION**

The purpose of this PDID is to obtain from the Offeror the submittal of information describing its organization and facilities.

INSTRUCTIONS:

1. Furnish the Offeror's corporate organization chart(s), at least to the Program Management level, that identify(ies) names, titles, and reporting lines.
2. Show the relationship of the organization assigned to handle this program with respect to overall plant/divisional and parent company organizations.
3. Provide a list of personnel who are considered essential to the work contemplated. Include personnel whose skills are not duplicated within your organization.
4. Provide a list of all facilities where any work is contemplated to be performed under this contract.
