

PROPOSAL DATA ITEM DESCRIPTION (PDID)

**PDID-MSBP
SUPPLIER SUBCONTRACTING PLAN**

The purpose of this PDID is to obtain from the Offeror information that will be used to evaluate the Supplier's Subcontracting Plan.

INSTRUCTIONS:

1. Provide a listing of effort or items to be subcontracted on this program, and types of contracts contemplated.
2. Provide a time-phased procurement plan for high cost, high risk, long lead, or schedule critical items.
3. To the extent that the Offeror's proposal exceeds \$500,000 (\$1,000,000 for construction), prepare and submit a Small Business Subcontracting Plan as specified in Federal Acquisition Regulation (FAR) 19.704 - Subcontracting Plan Requirements.
