

PROPOSAL DATA ITEM DESCRIPTION (PDID)

**PDID-TMSD
MATERIAL SAFETY DATA SHEET**

The response to this PDID will provide information in compliance with the regulatory requirements in 29 CFR 1910.1200 and supplemented by 40 CFR Ch. 1, Subpart C, Section 372.45. The Offeror's proposal shall identify whether or not the proposed supplies are hazardous material or contain hazardous material, in accordance with the following instructions:

INSTRUCTIONS:

1. If the supplies are not hazardous and contain no hazardous material, the Offeror's response shall so state.
2. For all supplies, or material contained within supplies, that are hazardous, a properly executed Material Safety Data Sheet (MSDS) in accordance with 29 CFR 1910.1200 and supplemented by 40 CFR Ch. 1, Subpart C, Section 372.45, shall be supplied with the Offeror's proposal.
3. The material for which an MSDS is being supplied shall be identified by the manufacturer's part number.
