Notwithstanding anything to the contrary in the foregoing sentence, in the case of a composite work created by Buyer containing any of the said information, the copyright in which vests in the Seller, the Seller hereby agrees to waive the said replication requirement if such composite work is marked with the legend:

"This is an unpublished work, the copyright in which vests in Buyer. All rights reserved."

6.6 Nothing contained herein shall be construed to prevent either Party from complying with the requirement of a court or other regulatory body acting within its jurisdiction to compel disclosure, provided that in the event that either Party receives a demand or any other form of compulsory process from any such court or other regulatory body requiring the disclosure of the other Party's information, it shall promptly so advise the other Party, in writing, and cooperate to limit the disclosure to the minimum necessary to comply with the requirements of such demand or process as required by law.

7. DEFAULT

7.1 Buyer may, by written notice, terminate this SUBCONTRACT and/or DELIVERY ORDER in whole or in part, if the Seller:

- (a) fails to deliver the Supplies or to perform the Services within the time specified in the SUBCONTRACT and/or DELIVERY ORDER or any extension thereof; or
- (b) fails to make progress so as to endanger performance of this SUBCONTRACT and/or DELIVERY ORDER; or
- (c) fails to perform any of the other provisions of this SUBCONTRACT and/or DELIVERY ORDER; or
- (d) declares bankruptcy, suspends its business operation, or initiates any reorganization and/or arrangement for the benefit of its creditors.

Buyer's right to terminate this SUBCONTRACT and/or DELIVERY ORDER under subparagraphs (b) and (c) above shall be exercised if the Seller does not cure such failure within ten (10) days after receipt of a "Cure Notice" from Buyer specifying the failure.

7.2 If Buyer terminates this SUBCONTRACT and/or DELIVERY ORDER in whole or in part by reason of Seller's default, Buyer may acquire (reprocure) under the terms and conditions and in the manner Buyer considers reasonable and appropriate such similar Supplies or Services to those terminated. The Seller shall be liable to Buyer for any excess costs for Supplies or Services so acquired, it being understood that the Seller shall continue to work on that portion not terminated. With regard to the Seller's liability for excess costs:

- (a) except for defaults by Seller's subcontractors at any tier, the Seller shall not be liable for any excess costs if the failure to perform under the SUBCONTRACT and/or DELIVERY ORDER arises from causes beyond the control and without the fault or negligence of the Seller. Examples of such causes include acts or omissions on the part of Buyer; acts of God; civil strife; labor strikes; actions of the Government, or any sovereign government in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; or freight embargoes.

7. DEFAULT (Continued)

(b) if the delay or failure is caused by the delay or failure of a subcontractor of the Seller, and if such delay or failure arises out of causes beyond the reasonable control of both the Seller and the Seller's subcontractor, and without the fault or negligence of either of them, the Seller shall not be liable to Buyer for excess costs unless the subcontracted Supplies or Services to be furnished by the subcontractor were reasonably obtainable from other known sources in sufficient time to permit the Seller to meet the required Delivery schedule.

7.3 If the SUBCONTRACT and/or DELIVERY ORDER is terminated for default, Buyer may require the Seller to transfer title and deliver to Buyer or to the Government, any (i) completed Supplies and (ii) partially completed Supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information and contract rights (collectively referred to as "manufacturing materials" in this Clause), that the Seller has specifically produced or acquired for the terminated portion of the SUBCONTRACT. Seller shall also protect and preserve property in its possession in which Buyer has an interest.

7.4 Buyer shall pay the SUBCONTRACT and/or DELIVERY ORDER price for completed Supplies and Services previously delivered and accepted. The Parties shall agree on the amount of payment for manufacturing material delivered and accepted and for the production and preservation of the property. Failure to agree shall be deemed a dispute under the "Disputes" Clause contained in the Shipyard Specific Terms and Conditions, Attachments A-1 and A-2. The Seller may not withhold Supplies, or partially completed Supplies, materials, parts, tools, dies, jigs fixtures, etc pending a resolution of any such dispute.

7.5 If, after termination for Seller's default, it is determined that the Seller was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been for the convenience of Buyer under the Clause entitled "Termination for Convenience" of this SUBCONTRACT.

7.6 The rights and remedies of Buyer in this Clause are in addition to any other rights and remedies provided by law or under this SUBCONTRACT.

8. DELIVERY DATE AND EXCUSABLE DELAY

8.1 The Delivery Date(s) shall mean the date(s) as set forth in the SUBCONTRACT and/or DELIVERY ORDER, or any modification thereto for the Delivery of the Supplies or performance of the Services specified in the SUBCONTRACT and/or DELIVERY ORDER.

8.2 Notwithstanding any other provision in this SUBCONTRACT and/or DELIVERY ORDER to the contrary, the Seller shall not be liable for failure to perform any of its obligations under this SUBCONTRACT and/or DELIVERY ORDER arising out of causes beyond its reasonable control without Seller's fault or negligence, including, but not limited to, acts or omissions on the part of Buyer; acts of God; civil strife; labor strikes; actions on the part of the Government or sovereign government in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; or freight embargoes.

8.3 If the delay or failure is caused by the delay or failure of a subcontractor of the Seller and if such delay or failure arises out of causes beyond the reasonable control of both the Seller and the Seller's subcontractor, and without the fault or negligence of either of them, the Seller shall not be liable to Buyer for damages occasioned by delays in Delivery unless the Supplies or Services to be furnished by the subcontractor were reasonably obtainable from other known sources in sufficient time to permit the Seller to meet the required Delivery schedule.

8.4 In the event of an excusable delay under this Clause, the time of performance shall be extended by such period as may be deemed reasonable by the Buyer.

8. DELIVERY DATE AND EXCUSABLE DELAY (Continued)

8.5 If and whenever it becomes apparent that progress in the furnishing of Supplies and Services is being or is likely to be delayed (whether or not such delay is excusable), the Seller shall within ten (10) working days of becoming aware of such delay give written notice to Buyer of the material circumstances including the cause or causes of the delay and shall give particulars of the expected effects thereof and estimate the extent of the expected delay in Delivery of the Supplies and Services beyond the Delivery date or dates set out in this SUBCONTRACT and/or DELIVERY ORDER. Seller shall give such further written notices to Buyer as may be necessary or as Buyer may reasonably require to maintain awareness on the status of the delay in order to mitigate impact of the delay to Buyer's operation.

9. ENVIRONMENTAL, SAFETY, AND OCCUPATIONAL HEALTH

The Seller shall provide design work for DDG 1000 in accordance with the SUBCONTRACT and/or DELIVERY ORDER scope of work that ensures the Supplies or Services can be tested, operated, maintained, repaired, and disposed of in accordance with Environmental, Safety, and Occupational Health (ESOH) statutes, regulations, policies, and, as applicable, environmental treaties and agreements (collectively termed regulatory requirements) and the requirements of this Clause. The Seller shall conduct ESOH analyses as described below:

9.1 ESOH Compliance. The Seller shall regularly review ESOH regulatory requirements and evaluate their impact on the Program's life-cycle cost, schedule, and performance.

9.2 Safety & Health. The Seller shall identify and evaluate safety and health hazards, define risk levels, and establish a safety program that manages the probability and severity of all hazards associated with development, use and disposal of the Supplies or Services.

9.3 Hazardous Material. The Seller shall establish a hazardous materials management program to consistently reduce or eliminate the use of hazardous materials in Supplies or Services processes and products (Executive Order 13148). The Seller shall evaluate and manage the selection, use, and disposal of hazardous materials consistent with Environmental Safety and Occupational Health (ESOH) regulatory requirements and program cost, schedule, in the Supplies or Services and performance goals. Where the Seller cannot avoid, within schedule and cost constraints, using a hazardous material, the Seller shall develop and implement plans and procedures for identifying, minimizing use of, tracking, storing, handling, packaging, transporting, and disposing of such material. As alternate technologies become available, the Seller shall replace hazardous materials in the Supplies or Services through changes in their design, manufacturing, and maintenance processes, where technically and economically practicable. If any such change will cause an increase or decrease in the price, cost and/or delivery schedule, Seller shall first seek Buyer's consent to such a change before implementing the same.

9.4 Pollution Prevention. The Seller shall identify and evaluate environmental and occupational health hazards and establish a pollution prevention program.

9.5 Explosives Safety. The Seller shall comply with Department of Defense (DoD) and Department of Navy (DoN) explosives safety requirements. The Seller shall ensure that munitions, explosives, and energetic are properly transported, handled, loaded, stored, and maintained.

9. ENVIRONMENTAL, SAFETY, AND OCCUPATIONAL HEALTH (Continued)

9.6 Environmental Impact. The Seller shall identify the impacts of the Supplies or Services on the environment during its life (including disposal), the types and amounts of pollution from all sources (air, water, noise, etc.) that will be released into the environment, actions needed to prevent or control the impact, ESOH risks associated with using the new Supplies or Services, and other information needed to identify source reduction, alternative technologies, and recycling opportunities. The pollution prevention program shall serve to minimize impacts on the environment and human health, as well as environmental compliance impacts on program Total Ownership Cost (TOC). A fundamental purpose of the pollution prevention program is to identify and quantify impacts, such as noise, as early as possible during system development, and to identify and implement actions needed to prevent or abate the impacts. In developing contract documents such as work statements, specifications, and other product descriptions, the Seller shall eliminate the use of virgin material requirements, as practicable. The Seller shall further consider life-cycle costs, recyclability, the use of environmentally preferable products, waste prevention (including toxicity reduction or elimination), and disposal, as appropriate.

10. EXAMINATION OF RECORDS

10.1 Seller agrees that Buyer, the Contracting Officer or other duly authorized Government Employee shall, until the expiration of three (3) years after final payment under this SUBCONTRACT and/or DELIVERY ORDER, have access to and the right to examine any directly pertinent books, documents, papers, and records involving transactions pertaining to this SUBCONTRACT and/or DELIVERY ORDER.

10.2 The periods of access to and right of examination of records which relate to (i) Buyer's appeals under the "Disputes" Clause of the Prime Contract, (ii) litigation or settlement of claims arising out of the Prime Contract, or, (iii) cost and expenses of the Prime Contract or this SUBCONTRACT and/or DELIVERY ORDER shall continue until such appeals, litigation, or claims have been disposed of.

11. FINAL ACCEPTANCE

11.1 As used in this Clause, "Final Acceptance" means the act by which the Buyer assumes for itself ownership of the Supplies. In accordance with the Clause entitled "Conditional Acceptance," the Buyer shall provide written notification to the Seller of the acceptability of the Supplies. If the Buyer does not provide written notification to the Seller within the sixty (60) days following successful completion of Charlie Trial, as defined in Clause 34 Trials of this document, the Supplies shall be deemed finally accepted, subject to the provisions of the Clause entitled "Warranty." Payments made under this SUBCONTRACT and/or DELIVERY ORDER shall not be considered as an indication of the acceptability of the Supplies.

11.2 Any Services rendered in support of this SUBCONTRACT and/or DELIVERY ORDER shall be performed in a professional and workmanlike manner, and in accordance with the specifications referenced in the SUBCONTRACT and/or DELIVERY ORDER. If, at the time of Final Acceptance, defects are known to exist in a Supply or any Services performed, the Supply/Service may be accepted in writing by Buyer with either a reservation of the Buyer's right to have the Seller correct the known defect(s), re-perform the Service in the event services were provided, or an equitable reduction in price, or both, as may be appropriate under the circumstances. Failure to agree to such reduction in price shall be a dispute concerning a question of fact within the meaning of the Disputes clause in the Shipyard Specific Terms and Conditions, Attachments A-1 and A-2.

12. FINAL SETTLEMENT

Upon final settlement of the work, Seller shall be entitled to receive any balance owed under this SUBCONTRACT and/or DELIVERY ORDER. Such payment to be made within (30) thirty days after the amount of such balance is determined; provided appropriate documentation has been received and approved by Buyer. Seller and each assignee of the Seller, under an assignment in effect at the time of final settlement, shall execute and deliver at the time of and as a condition precedent to any final payment from Buyer, a release of claims and liens from Seller and Seller's subcontractors and from liabilities, obligations, and claims arising under this SUBCONTRACT and/or DELIVERY ORDER in form and substance satisfactory to Buyer, its officers, agents, and employees. If this SUBCONTRACT and/or DELIVERY ORDER shall have been terminated in whole or in part, any such release shall also contain a release of all claims against Buyer arising out of, or by virtue of, such termination.

13. GOVERNING LAW

The Parties agree that irrespective of the place of performance of this SUBCONTRACT and/or DELIVERY ORDER, the SUBCONTRACT and/or DELIVERY ORDER shall be construed and interpreted, and the rights and obligations of the Parties shall be determined, according to Federal Common Law and the Federal Contract Law as enunciated and applied by the Federal courts, boards of contract appeals and other administrative and quasi-judicial bodies of the Federal Government. To the extent the Federal Common Law and Federal Contract Law is not determinative, the laws (both substantive and procedural) of the State of Maine for the SUBCONTRACT and/or DELIVERY ORDER issued by BIW and State of Mississippi for the SUBCONTRACT and/or DELIVERY ORDER issued by NGSS, in effect at the time of the execution of this SUBCONTRACT and/or DELIVERY ORDER shall apply as the same would be applied to transactions between residents of the State to be fully performed within the State and without regard to the State's conflict of laws principles. The exclusive jurisdiction for any action by either Party against the other shall be brought before any Federal district court where venue is appropriate: (a) in the State of Maine for SUBCONTRACTs and/or DELIVERY ORDERs issued by BIW, or (b) the State of Mississippi for SUBCONTRACTs and/or DELIVERY ORDERs issued by NGSS. In the event state courts have proper jurisdiction for any action by either Party against the other, the governing law for SUBCONTRACTs and/or DELIVERY ORDERs shall be (a) the laws of the State of Maine for SUBCONTRACTs and/or DELIVERY ORDERs issued by BIW, or (b) the laws of the State of Mississippi for SUBCONTRACTs and/or DELIVERY ORDERs issued by NGSS.

14. GOVERNMENT OR BUYER FURNISHED PROPERTY

- 14.1 Government or Buyer Furnished Property. The Government or Buyer shall deliver to the Seller, for use in connection with and under the terms of this SUBCONTRACT and/or DELIVERY ORDER, the property described as Government-Furnished Property (GFP) or Buyer-Furnished Property (BFP), together with such related data and information as the Seller may request and as may reasonably be required for the intended use of such property. The delivery or performance dates for the Supplies or Services to be furnished by Seller under this SUBCONTRACT and/or DELIVERY ORDER are based upon the expectation that GFP or BFP suitable for use (except for such property furnished "as is") will be delivered to the Seller at the times stated in the SUBCONTRACT and/or DELIVERY ORDER or, if not so stated, in sufficient time to enable Seller to meet such delivery or performance dates. In the event that GFP or BFP is not delivered to Seller by such time or times, Buyer shall, upon timely written request made by Seller, make a determination of the delay, if any, occasioned the Seller thereby, and shall equitably adjust the delivery or performance dates or the SUBCONTRACT and/or DELIVERY ORDER price, or both, and any other contractual provision affected by any such delay, in accordance with the procedures provided for in the Clause of this SUBCONTRACT entitled "Changes." Except for GFP or BFP furnished "as is," in the event the GFP or BFP is received by Seller in a condition not suitable for the intended use the Seller shall, upon receipt thereof, notify Buyer of such fact and, as directed by Buyer, either (i) return such property at Buyer's expense or otherwise dispose of the property, or (ii) effect repairs or modifications. 14. GOVERNMENT OR BUYER FURNISHED PROPERTY (Continued)

affected by the rejection or disposition, or the repair or modification to GFP or BFP, in accordance with the procedures provided for in the Clause of this SUBCONTRACT entitled "Changes." The foregoing provisions for adjustment are exclusive and Buyer shall not be liable to suit for breach of contract by reason of any delay in delivery of GFP or BFP or delivery of such property in a condition not suitable for its intended use, a decrease in or substitution of GFP or BFP, or failure to repair or replace GFP for which Government or Buyer is responsible.

14.2 Changes in GFP or BFP

- (a) By notice in writing, Buyer may (i) decrease the property provided or to be provided by the Government or Buyer under this SUBCONTRACT and/or DELIVERY ORDER, or (ii) substitute other Government or Buyer owned property for property to be provided by the Government or Buyer, or to be acquired by Seller for the Government or Buyer under this SUBCONTRACT and/or DELIVERY ORDER. Seller shall promptly take such action as Buyer may direct with respect to the removal and shipping of property covered by such notice.
- (b) In the event of any decrease in or substitution of property pursuant to subparagraph (a) above, or any withdrawal of authority to use property provided under any other contract or lease, which property Buyer had agreed in the Schedule to make available for the performance of this SUBCONTRACT and/or DELIVERY ORDER, Buyer, upon the written request of Seller (or, if the substitution of property causes a decrease in the cost of performance, on its own initiative), shall equitably adjust such contractual provisions as may be affected by the decrease, substitution, or withdrawal, in accordance with the procedures provided for in the Clause entitled "Changes."

14.3 Title. Title to all property furnished by the Government or Buyer shall remain with the Government or Buyer respectively. 17. **LOGISTIC SUPPORT REQUIREMENTS**

- 17.1 This Clause applies whenever the specifications, by reference to a military specification or otherwise, specify repair parts or stock components (hereinafter called "repair parts") for a component or item of equipment. All data shall be in the English language and, to the maximum extent practical, the metric system of measurement, and drawings for components, assemblies, subassemblies, and parts protected by U.S. patents shall contain a prominent notation to that effect fully identifying the patent or patents involved, and bearing the number of this SUBCONTRACT and/or DELIVERY ORDER.

19. NOTIFICATION OF CHANGES

The Parties acknowledge potential changes are to be identified and resolved as they arise. Therefore, except for written change orders issued by Buyer, Seller shall notify Buyer of any conduct which Seller considers constitutes or requires a change to this SUBCONTRACT and/or DELIVERY ORDER and/or Buyer's Prime Contract. Such notice shall be provided promptly and in any event within twenty (20) calendar days from the date the Seller identifies any such conduct. As used in this Clause, the term "conduct" includes both actions and failures to act, and the furnishing of, or the failure to furnish, any Supply under any provision of this SUBCONTRACT and/or DELIVERY ORDER. The notice shall be written and shall state, on the basis of the most accurate information available to the Seller:
- (a) the date, nature and circumstances of the conduct regarded as a change;
 - (b) the name, function and activity of the individuals directly involved in or knowledgeable about such conduct;
 - (c) the identification of any documents and the substance of any oral communication involved in such conduct;

19. **NOTIFICATION OF CHANGES** (Continued)

 3. to the extent practicable, the Seller's preliminary order of magnitude estimate of cost and schedule effect of the potential change; and
 4. what and in what manner are the particular technical requirements or SUBCONTRACT and/or DELIVERY ORDER requirements regarded as changed.

19.2 Except as provided in Paragraph 19.5 below, following submission of notice the Seller shall take no action to implement a potential change until advised by Buyer in writing as provided in Paragraph 19.3 below, unless the potential change was previously directed by Buyer, in which case the Seller shall conform therewith. Nothing in this Clause shall excuse the Seller from proceeding with SUBCONTRACT and/or DELIVERY ORDER work in accordance with directions issued by Buyer.

19.3 Buyer shall promptly, and in any event within twenty (20) calendar days after receipt of notice, respond thereto in writing. In such response, Buyer shall either:

- (a) confirm that the conduct of which the Seller gave notice would constitute a change, and when necessary, direct the mode of further performance, or;
- (b) countermand any conduct regarded by Seller as a change, or;
- (c) deny that the conduct of which Seller gave notice would constitute a change and, when necessary, direct the mode of further performance, or;
- (d) in the event Seller's notice information is inadequate to make a decision under (a), (b), and (c) above, advise Seller what additional information is required.

Failure of Buyer to respond within the time required above shall be deemed a countermand under Paragraph 19.3(b).

19.4 Equitable adjustments for changes confirmed by Buyer shall be made in accordance with the Clause entitled "Changes" or any other provision of this SUBCONTRACT and/or DELIVERY ORDER which provides for an equitable adjustment.

19.5 Paragraph 19.2 above provides that Seller is to take no action to implement a potential change pending Buyer's response to Seller's notice of the potential change except where specifically directed by Buyer. In special situations, however, where:

- (a) the circumstances do not allow sufficient time to notify Buyer of the facts prior to the need to proceed with the work, and;

19. NOTIFICATION OF CHANGES (Continued)

(b) the work must proceed to avoid hazards to personnel or property or to avoid additional cost to Buyer, Seller may proceed with work in accordance with the potential change. Seller shall advise Buyer in writing within five (5) days of the conduct giving rise to the potential change that Seller has proceeded and shall describe the nature of the special situation which required proceeding prior to notification. Within twenty (20) days of the conduct giving rise to the potential change, the Seller shall provide notice as required in Paragraph 19.1 above. Buyer shall respond as set forth in Paragraph 19.3 above. If Buyer determines that the conduct constitutes a change and countermands it, Seller shall be entitled to an equitable adjustment for performance in accordance with that change prior to the countermand including performance resulting from the countermand.

19.6 When Seller identifies any conduct, which may result in delay to delivery of the Supplies and Services, Seller shall promptly so inform Buyer thereof prior to providing the notice required by Paragraph 19.1 above.
