In no event shall Buyer be obligated

to pay Seller any amount in excess of the P.O. price. The rights and remedies provided Buyer in this clause are in addition to any other right or remedies provided by law or in equity.

If Seller is affected by the resulting decision and Buyer elects to appeal, Seller shall pay to Buyer Seller's proportion of the appeal costs. If Buyer elects not to appeal the decision, Buyer shall notify Seller of that decision within ninety (90) days. If Seller submits a timely request to Buyer to appeal such decision, Buyer shall file and sponsor Seller's appeal, at Seller's sole cost, if Buyer may do so in good faith. - 12.3 In the event of an excusable delay under this Clause, the time of performance shall be extended by such period as may be deemed reasonable by the Buyer.
- 12.4 If and whenever it becomes apparent that progress in the furnishing of Supplies and Services is being or is likely to be delayed (whether or not such delay is excusable), the Seller shall immediately give written notice to Buyer of the material circumstances including the cause or causes of the delay and shall give particulars of the expected effects thereof and estimate the extent of the expected delay. Seller shall give such further written notices to Buyer as may be necessary or as Buyer may reasonably require to maintain awareness on the status of the delay in order to mitigate impact of the delay to Buyer's operation.

24. NOTIFICATION OF CHANGES

24.1 The purpose of this Clause is to provide Buyer with the prompt reporting of any conduct which the Seller considers would constitute a change to this P.O. and/or Buyer's Prime Contract. The Parties acknowledge potential changes are to be identified and resolved as they arise. Therefore, except for written change orders issued by Buyer, Seller shall notify Buyer of any conduct which Seller considers constitutes or requires a change to this P.O. and/or Buyer's Prime Contract. Such notice shall be provided promptly and in any event within twenty (20) calendar days from the date the Seller identifies any such conduct. As used in this Clause, the term "conduct" includes both actions and failures to act, and the furnishing of, or the failure to furnish, any Supply under any provision of this P.O. The notice shall be written and shall state, on the basis of the most accurate information available to the Seller:

- (a) the date, nature and circumstances of the conduct regarded as a change;
- (b) the name, function and activity of the individuals directly involved in or knowledgeable about such conduct;
- (c) the identification of any documents and the substance of any oral communication involved in such conduct;

24.2 Except as provided in Paragraph 20.5 below, following submission of notice the Seller shall take no action to implement a potential change until advised by Buyer in writing as provided in Paragraph 20.3 below, unless the potential change was previously directed by Buyer, in which case the Seller shall conform therewith. Nothing in this Clause shall excuse the Seller from proceeding with P.O. work in accordance with directions issued by Buyer.

24.3 Buyer shall promptly, and in any event within twenty (20) calendar days after receipt of notice, respond thereto in writing. In such response, Buyer shall either:

- (a) confirm that the conduct of which the Seller gave notice would constitute a change, and when necessary, direct the mode of further performance, or;
- (b) countermand any conduct regarded by Seller as a change, or;
- (c) deny that the conduct of which Seller gave notice would constitute a change and, when necessary, direct the mode of further performance, or;

- 24.4 Failure of Buyer to respond within the time required above shall be deemed a countermand under Paragraph 20.3(b). Equitable adjustments for changes confirmed by Buyer shall be made in accordance with the Clause entitled "Changes" or any other provision of this P.O. which provides for an equitable adjustment.
- 24.5 Paragraph 20.2 above provides that Seller is to take no action to implement a potential change pending Buyer's response to Seller's notice of the potential change except where specifically directed by Buyer. In special situations, however, where:
- (a) the circumstances do not allow sufficient time to notify Buyer of the facts prior to the need to proceed with the work, and;
 - (b) the work must proceed to avoid hazards to personnel or property or to avoid additional cost to Buyer, Seller may proceed with work in accordance with the potential change. In such special situations, Seller shall advise Buyer in writing within five (5) days of the conduct giving rise to the potential change that Seller has proceeded and shall describe the nature of the special situation which required proceeding prior to notification. Within twenty (20) days of the conduct giving rise to the potential change, the Seller shall provide notice as required in Paragraph 20.1 above. Buyer shall respond as set forth in Paragraph 20.3 above. If Buyer determines that the conduct constitutes a change and countermands it, Seller shall be entitled to an equitable adjustment for performance in accordance with that change prior to the countermand including performance resulting from the countermand.
- 24.6 When Seller identifies any conduct, which may result in delay of delivery of the Supplies and Services, Seller shall promptly so inform Buyer thereof prior to providing the notice required by Paragraph 20.1 above.
- 25. ORDER OF PRECEDENCE & SEVERABILITY**

Buyer reserves exclusive right to apply the equivalent value of foreign content in the item(s) provided by the Seller to the Offset Program of the Buyer's choice. Buyer may, at Buyer's discretion, provide written notice waiving its claim to offset credits accruing from this P.O., thereby allowing Seller use and discretionary application of such credits. The priority rating for the Supplies and Services to be delivered under this P.O. is DO-A3, unless otherwise indicated in the upper right hand corner of this P.O. where it states "DPAS Rating." As used in this Clause, a problem is a fact or circumstance of which Seller is aware that does, will, or may (1) have an impact on the Delivery Schedule, completion or performance for the cost of this P.O. (increase or decrease), or (2) require a modification of this P.O. Seller shall provide Buyer with a written report of each problem within ten (10) days after Seller identifies such problem. No right or remedy of Buyer shall be deemed waived or released unless such waiver or release is in writing and signed by Buyer's Authorized Purchasing Representative. No waiver by either Buyer or the Seller, whether written or oral, expressed or implied, of any rights under or arising from this P.O. shall be binding on any subsequent occasion and no concession by either Buyer or the Seller shall be treated as a variation of this P.O. unless specifically agreed in writing.

41.1 If, within the warranty period, the Buyer finds that the warranted Supplies or Services need to be repaired, changed or reperformed because of the use of materials, equipment or workmanship which, in its opinion, are inferior, defective or not in accordance with the terms of the P.O., insofar as it is practicable, the Buyer shall so inform the Seller in writing and the Seller, if so directed, shall promptly and without additional expense to the Buyer:

- (a) place in satisfactory condition the warranted work;
- (b) satisfactorily correct direct damage to equipment, the site, the compartment or contents thereof, which is the result of such unsatisfactory warranted work;

When the Buyer directs the Seller to perform the warranty work, if the Seller fails to proceed promptly in accordance with the warranty, Buyer may have such work performed at the expense of the Seller.

41.2 Any Supplies, Services or parts thereof corrected, repaired, replaced or otherwise placed in a satisfactory condition shall also be subject to the conditions of this Clause to the same extent as the Supplies or Services initially accepted. The warranties for such Supplies, Services or parts thereof shall be for twelve (12) months to run from the date of Buyer's final acceptance of such corrected, repaired or replaced Supplies or Services or until expiration of the original warranty period, whichever is longer.

41.3 The Buyer and/or the Government shall have the right to purchase parts for installation, either from the Seller, or directly from the Actual Parts Manufacturer (APM), without voiding this warranty. Any special warranty that may be required under this P.O. shall be subject to the stipulations set forth above, insofar as they do not conflict with the provisions of such special warranties.

- 41.4 Seller shall obtain each transferable guaranty or warranty of equipment, material or installation thereof which is furnished by any manufacturer, supplier or installer in the ordinary course of the manufacturer's, supplier's or installer's business or trade. In addition, the Seller shall obtain and furnish to the Buyer all information which is required in order to make any such guaranty or warranty legally binding and effective, and shall submit both the information and the guaranty or warranty to the Buyer to meet any time limit requirements specified in the guaranty or warranty, or if no time limit is specified in the guaranty or warranty, prior to completion and acceptance of all work under the P.O.
- 41.5 Any limitations to Seller's warranty obligations expressed in this Clause shall not apply when the defects or deficiencies in such Supplies or Services or the Buyer's final acceptance of such Supplies resulted from the willful misconduct or lack of good faith on the part of the Seller's QA representatives, or its officers, directors, managers or other equivalent representatives who had supervision or direction of production and/or inspection of such Supplies or Services.
- 41.6 No commercial warranty is given hereunder. All implied warranties of "merchantability" and "fitness for a particular purpose" are excluded from any obligation contained in this P.O.
- 41.7 Disputes arising under this Clause shall be resolved in accordance with the Clause entitled "Disputes."

42. LIMITATION OF LIABILITY

IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES ARISING FROM ANY PROVISION OF THIS P.O., SUCH AS, BUT NOT LIMITED TO, LOSS OF USE, INCOME OR PROFITS, OR ANTICIPATED PROFITS OR LOST BUSINESS OR LOSS OF DATA OR SYSTEM USE. OBLIGATIONS ARISING UNDER SECTIONS 8.3 AND 20 ARE NOT CONSIDERED INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES AND SO THIS SECTION SHALL NOT APPLY TO THOSE OBLIGATIONS.

A copy of the executed agreement shall be provided to the Contracting Officer. The Government may unilaterally modify the contract to list those third parties with which the Contractor has agreement(s).
- (b) The Contractor agrees to: (1) indoctrinate its personnel who will have access to the data or software as to the restrictions under which access is granted; (2) not disclose the data or software to another party or other Contractor personnel except as authorized by the Contracting Officer; (3) not engage in any other action, venture, or employment wherein this information will be used, other than under this contract, in any manner inconsistent with the spirit and intent of this requirement; (4) not disclose the data or software to any other party, including, but not limited to, joint ventures, affiliate, successor, or assign of the Contractor; and (5) reproduce the restrictive stamp, marking, or legend on each use of the data or software whether in whole or in part.
- (c) The restrictions on use and disclosure of the data and software described above also apply to such information received from the Government through any means to which the Contractor has access in the performance of this contract that contains proprietary or other restrictive markings.
- (d) The Contractor agrees that it will promptly notify the Contracting Officer of any attempt by an individual, company, or Government representative not directly involved in the effort to be performed under this contract to gain access to such proprietary information. Such notification shall include the name and organization of the individual, company, or Government representative seeking access to such information.
- (e) The Contractor shall include this requirement in subcontracts of any tier which involve access to information covered by paragraph (a), substituting "subcontractor" for "Contractor" where appropriate.
- (f) Compliance with this requirement is a material requirement of this contract.

COMPUTER SOFTWARE AND/OR COMPUTER DATABASE(S) DELIVERED TO AND/OR RECEIVED FROM THE GOVERNMENT (NAVSEA) (APR 2004)

- (a) The Contractor agrees to test for viruses all computer software and/or computer databases, as defined in the clause entitled "RIGHTS IN NONCOMMERCIAL COMPUTER SOFTWARE AND NONCOMMERCIAL COMPUTER SOFTWARE DOCUMENTATION" (DFARS 252.227-7014), before delivery of that computer software or computer database in whatever media and on whatever system the software is delivered. The Contractor warrants that any such computer software and/or computer database will be free of viruses when delivered.
- (b) The Contractor agrees to test any computer software and/or computer database(s) received from the Government for viruses prior to use under this contract.
- (c) Unless otherwise agreed in writing, any license agreement governing the use of any computer software to be delivered as a result of this contract must be paid-up and perpetual, or so nearly perpetual as to allow the use of the computer software or computer data base with the equipment for which it is obtained, or any replacement equipment, for so long as such equipment is used. Otherwise the computer software or computer database does not meet the minimum functional requirements of this contract. In the event that there is any routine to disable the computer software or computer database after the software is developed for or delivered to the Government, that routine shall not disable the computer software or computer database until at least twenty-five calendar years after the delivery date of the affected computer software or computer database to the Government.
- (d) No copy protection devices or systems shall be used in any computer software or computer database delivered under this contract to restrict or limit the Government from making copies. This does not prohibit license agreements from specifying the maximum amount of copies that can be made.
- (e) Delivery by the Contractor to the Government of certain technical data and other data is now frequently required in digital form rather than as hard copy. Such delivery may cause confusion between data rights and computer software rights. It is agreed that, to the extent that any such data is computer software by virtue of its delivery in digital form, the Government will be licensed to use that digital-form with exactly the same rights and limitations as if the data had been delivered as hard copy.
- (f) Any limited rights legends or other allowed legends placed by a Contractor on technical data or other data delivered in digital form shall be digitally included on the same media as the digital-form data and must be associated with the corresponding digital-form technical data to which the legends apply to the extent possible. Such legends shall also be placed in human readable form on a visible surface of the media carrying the digital-form data as delivered, to the extent possible.

USE OF NAVY SUPPORT CONTRACTORS FOR OFFICIAL CONTRACT FILES

(a) NAVSEA may use a file room management support contractor, hereinafter referred to as "the support contractor", to manage its file room in which all official contract files, including the official file supporting this procurement, are retained. These official files may contain information that is considered a trade secret, proprietary, business sensitive or otherwise protected pursuant to law or regulation, hereinafter referred to as "protected information". File room management services consist of any of the following: secretarial or clerical support; data entry; document reproduction, scanning imaging, or destruction; operation, management or maintenance of paper-based or electronic mail rooms, file rooms, or libraries; and supervision in connection with functions listed herein.

(b) The cognizant Contracting Officer will ensure that any NAVSEA contract under which these file room management services are acquired will contain a requirement that:

1. The support contractor not disclose any information;

2. Individual employees are to be instructed by the support contractor regarding the sensitivity of the official contract files;

3. The support contractor performing these services be barred from providing any other supplies and/or services, or competing to do so, to NAVSEA for the period of performance of its contract and for an additional three years thereafter unless otherwise provided by law or regulation; and,

4. In addition to any other rights the contractor may have, it is a third party beneficiary who has the right of direct action against the support contractor, or any person to whom the support contractor has released or disclosed protected information, for the unauthorized duplication, release, or disclosure of such protected information.

(c) Execution of this contract by the contractor is considered consent to NAVSEA's permitting access to any information, irrespective of restrictive markings or the nature of the information submitted, by its file room management support contractor for the limited purpose of executing its file room support contract responsibilities.

(d) NAVSEA may, without further notice, enter into contracts with other contractors for these services. Contractors are free to enter into separate non-disclosure agreements with the file room contractor. (Please contact Director, E Business Division for contractor specifics.) However, any such agreement will not be considered a prerequisite before information submitted is stored in the file room or otherwise encumber the government.
